Alan,
I'm flying home from Tucson tonight. I was attending my son's graduation.
I will respond tomorrow when I get back into the office.

Lorena-
Can you update me on everyone whose name has been put into nomination for June's officer elections? Also I was speaking to Donte this morning and he mentioned a homeless encampment in Janice's old offices on the 100 block of 6th St., can you give me the owner's name and contact info and I'll see if I can get him to do something about it.
Congrats on the graduation and enjoy Arizona,
Alan
